VIP takes content products for a test drive... Now you can take VIP for a test drive.

"VIP has set the marker for excellence in product reviews for the information industry. It is clear that much thought and care is taken with each review featured - many other info publications could take a lesson here."

Try VIP for 3 months at the special price of £80 (about US\$150, EUR105); individual issues are normally £54 each, so this offer represents a saving of **over 50%** off the list price. You can experience for yourself the value of our unique:

- In-depth product reviews (average of 15-20 pages, including screen shots, detailed results, and more) of premium content products
- Analysis of news relating to the business information industry

"VIP's monthly compilation of proper in-depth reviews provides me with plenty of objective information from which to make decisions on products I might be interested in. It is also an excellent way to keep up with the latest content and functionality improvements."

Recent Features

Geographic focus on products for research in:
